CIRCLE WHICH FONT YOU WOULD LIKE

Please consider that some fonts read differently than others and can look very different. Take care with your wording, for example, in certain cursive fonts 'loving' can look like 'having'. Heavily cursive fonts like Edwardian look best with first upper letter and remainder lowercase. See Top Ten Font List for full alphabet examples.

By signing this order form I acknowledge that I have carefully read and confirmed all details pertaining to the embroidery of my product and understand that I am responsible for any errors that I have written in this order form. I understand that the embroidery will be done to my exact specifications and that no refunds will be issued should I not agree with the finish based on the information provided in this document. Should the embroiderer require further details not completed in this form, additional charges and processing times may apply.

All embroidery orders must be paid for in full prior to work commencing. All embroidery customer items and laundry products will be ready for collection or postage within 2-3 working days. Please be aware that some fabrics embroider better than others. To ensure a good finish we change needles every order and have the machine set at the lowest possible speed to ensure correct embroidery. Laundry is not responsible for any errors in stitching.
